We, the class of 1983, would like to thank Mrs. Edna Krauss for all her support and help during our senior year. Her laughter and encouragement kept us going when times were hard.

## WITH OUR THANKS

We, the class of 1983, gratefully appreciate the work of Mr. Paul Griffith, our yearbook advisor. He has spent many long hours helping the yearbook staff produce this fine book.

# F L A S H

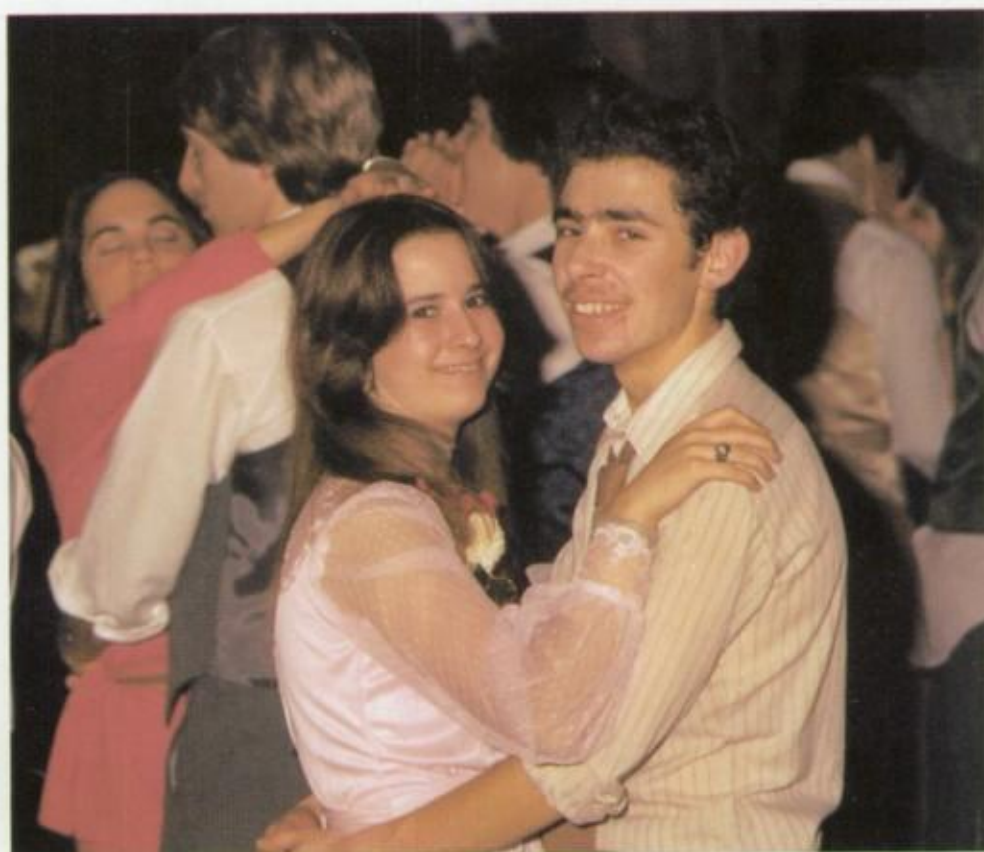

I'm dreaming of sunshine and happy days,  
Fig newtons, Snickers and Milky Ways,  
Of laughter and smiles and crazy times,  
Of ballgames, dances and school pride.

I'm remembering familiar, friendly faces  
Imprinted in memories of special places,  
Keeping those moments so very near  
To treasure them more each passing year.

I'll travel through life with those thoughts in mind  
Giving me courage when I want to cry.  
I'll remember those precious carefree days —  
I'll hold them close in so many ways.

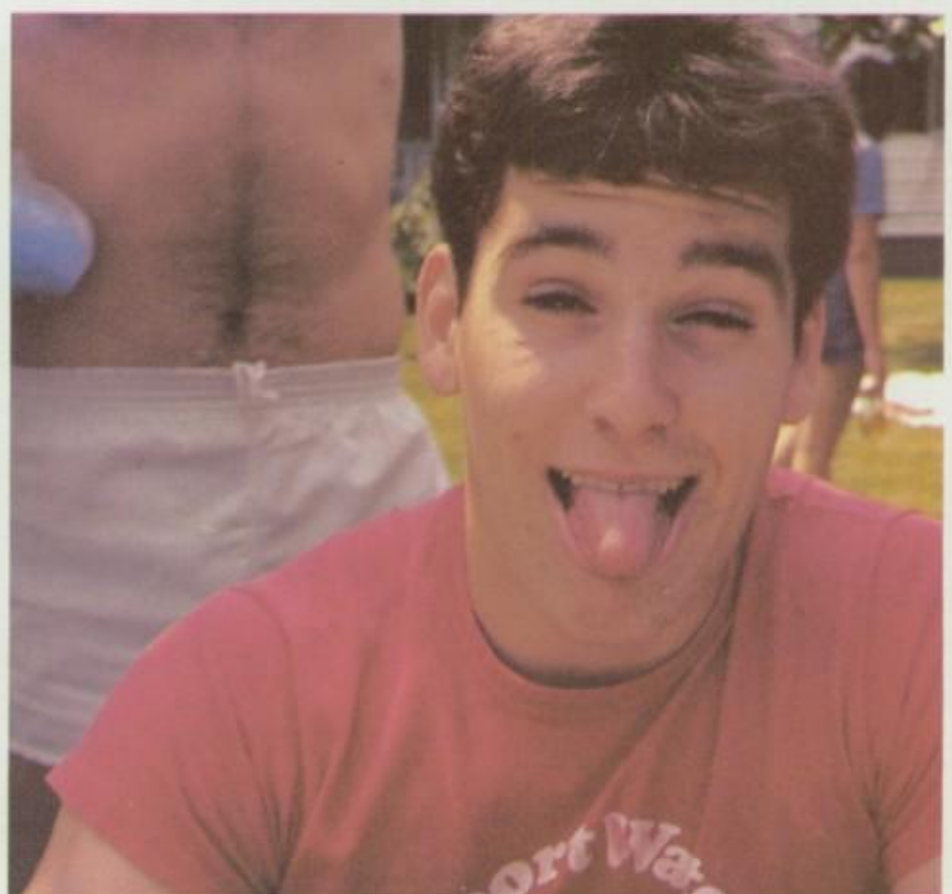

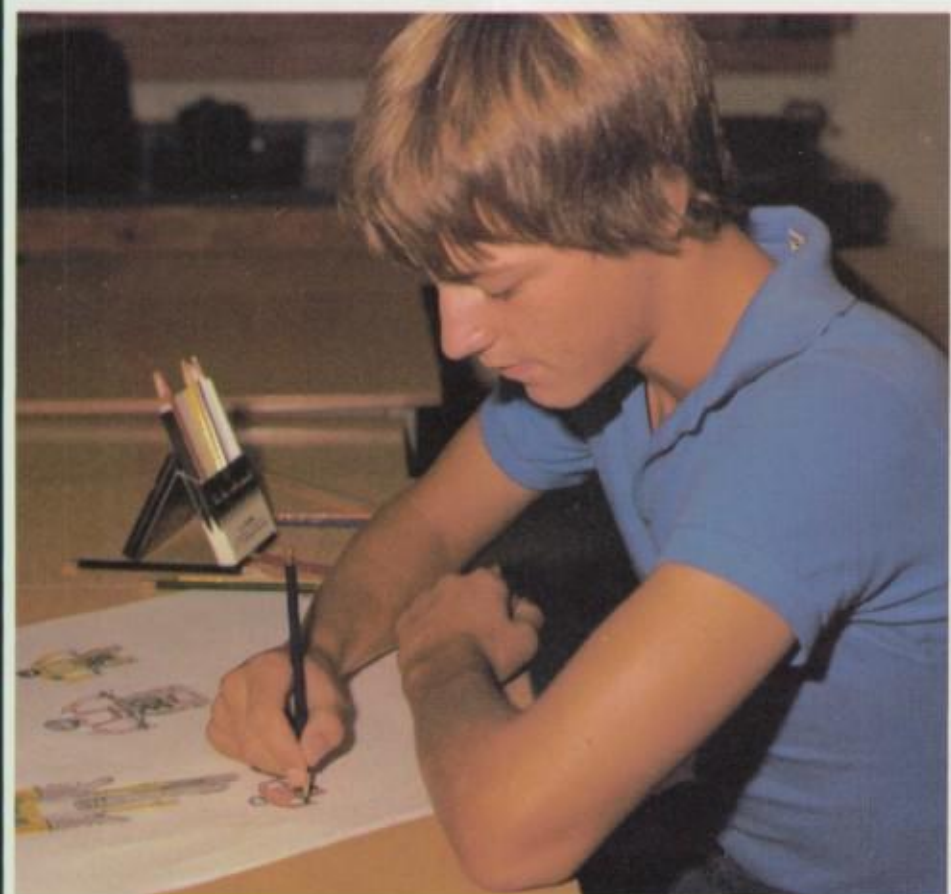

Now I realize, now I can see  
How much you are a part of me.  
And so I thank you for all you've done —  
For friends and memories and lots of fun.

— Pam Blais

# SENIOR FASHION SHOW

## A black and white photograph capturing a tender moment between two young people. A young man, dressed in a formal tuxedo with a white shirt and a dark bow tie, is seen from the side, embracing a young woman from behind. The woman is wearing a light-colored, possibly white, dress with a full skirt. Her hair is styled in a voluminous, wavy fashion. The man's expression is gentle as he looks towards the woman. In the background, to the left, another young woman is partially visible, looking off to the side. The overall atmosphere is intimate and celebratory, typical of a formal event like a prom or a wedding reception.

#### TO THE CLASS OF 1983:

As I write this message, it would appear that the Class of 1983 is graduating into a world that is troubled by economic insecurity and a question of peace.

Many generations of Americans have been faced with these problems. These times are a test of one's faith in God, America and one's self. It is this faith that has seen generations survive. If you have and keep this faith, and I am certain you will, you will be prepared to face a better and more promising future. I have no question in your ability to do this.

WILFRED R. MARCHAND  
SUPERINTENDENT OF SCHOOLS

#### TO THE CLASS OF 1983:

Whatever years are allotted to each of us, no one ever knows ahead of time; that is one of the "sweet mysteries" of life. One thing is certain, however. When a moment passes by, it is gone forever, and nothing can recall it. So it is with the years in high school, which for our seniors are only memories now. For some, these remembrances are tender and warm; for others they are bland, neutral, perhaps even colorless. In Shakespeare's words, however, "What's done cannot be undone." Nonetheless, there is a large-looming future awaiting all of you which ought to be seized aggressively so that your lives will be filled with time well spent and years well lived. Take the future and let it be yours; make the world and your place in it what they ought to be.

Fondly and with best wishes always,  
HERMAN GRABERT, JR.  
PRINCIPAL

#### TO THE CLASS OF 1983:

Nothing is as empty as lives filled with consuming loneliness and gnawing regrets about what might have been. The poetry and songs of centuries echo in many ways the human calamity of unfilled hopes and smashed dreams. No such despair characterizes the Class of 1983.

Your class recognized from the beginning that high school is, in a sense, the last stop of your young years; and your experiences here seem to overflow with friendship, laughter, and the unforgettably gentle pleasure of familiarity. You have respected each other; you have found and cemented lasting friendships; above all, you have enjoyed yourselves, blending academic seriousness with a light, sensitive social scene.

Milton once called time "the subtle thief of youth." Do not let this clockwork larceny destroy your zest; life is too short to tamper with the sweetness of moments well lived!

Congratulations and best wishes always,

# STUDENT COUNCIL

Elections of the president and store manager are held in June for the following school year by the present council. Each must be a member of that council so as to have a year's experience. The rest of the elections are held in September.

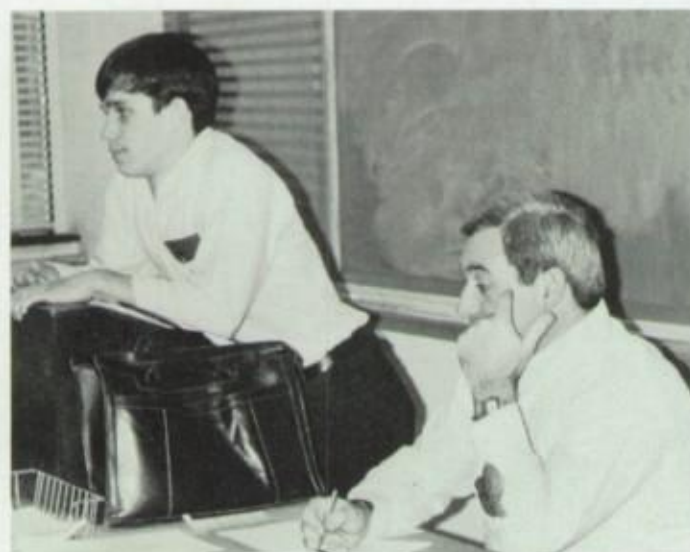

Besides participating in the RI Association of Student Councils and being a member of the National Association of Student Councils, one of its most important functions is bringing the student body together. This is done especially in November during School Spirit Week, when the classes work as teams to win the honor of being most school-spirited.

Another important task of the Student Council is raising money for senior scholarships, mainly by means of an auction and a cruise. Local merchants are asked for donations and Blount Marine has been more than generous with their rentals of the *Bay Queen* for the cruise. Everyday duties include the management and running of the school store.

The council is involved in community activities, which include an annual blood drive and the distribution of turkey baskets to the needy at Thanksgiving.

Secretary Maureen Laforge, Vice-President Tom Muccino, Advisor to the Council, Mr. Peter Gray, President Steve Carey, Parliamentarian Julie Abbruzzi and Treasurer Jeanine Perella.

Considering a point from the floor.

SENIOR COUNCIL MEMBERS — Sue Mello, Tom Muccino, Julie Abbruzzi, Mark Abrain, Kyle McDonald, Maureen Laforge.

JUNIOR COUNCIL MEMBERS — Kris Shaw, Tom Sampson, Sharon Silvia, Steve Carey, Jeanine Perella, Ron Silva, Leslie Wallace and John Krieger.

SOPHOMORE COUNCIL MEMBERS — Kathy Silva, Sherry Oliveira, Tabby Glavin, Tracy Noble, Theresa Patterson and Jan Francis.

FRESHMAN COUNCIL MEMBERS — John Bento, Denise MacDougall, Sue Ferrara, Debby Camara, Nicole Perella, Kris Palmieri, Karen Nihill and Wayne Perreault.
